

March 2010

Dear Friend,

You can get through your struggles!

You can come out of your troubles!

You can overcome opposition!

You can resist the devil!

You can be victorious!

God is on your side!

No matter how long the trials and difficulties have been facing you, **there is hope!** *"If God is for us; what does it matter who may be against us?"* (Romans 8:31 A New Translation)

God is bigger, stronger, wiser and greater than anything or anyone you will face. He loves you regardless of your failures or sins. Repent. *"If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."* (1 John 1:9) Believe in God's forgiveness. Accept His mercy. Declare with confidence, *"There is therefore now no condemnation to those who are in Christ Jesus, who do not walk according to the flesh but according to the Spirit."* (Romans 8:1)

This is a new day. Choose to leave the past behind and reach for the great things God has ahead for you (Philippians 3:13). You have a great future awaiting you in 2010. Believe that things will get better. Why? Because God has prepared good things for those who are His (Ephesians 2:10).

Your faith can cause the good things of God to come into your life. Faith speaks of things that are not as though they were (Romans 4:17). Your believing and speaking those things brings them from the realm of the invisible to the visible.

"This is the day the Lord has made; we will rejoice and be glad in it." (Psalm 118:24) This day spoken of by the Psalmist would be the day Jesus would be set as the Chief Cornerstone in the Church. From the time of Jesus until now, we have been living in "the day the Lord made." It is a state or condition of existence God made possible for every believer in Jesus. The Kingdom of

God comes within us. God's life and nature are imparted into our spirit. No wonder the Psalmist said, "We will rejoice and be glad in it."

There is victory in Jesus! These truths mean you can walk into victory from where you are right now. Go on with your life. Break free from bondage. **Decide to live free.**

Jesus came to give you abundant life (John 10:10). This is life the way God intended it to be experienced; the very life of God, here and now, inside you.

You were not born for drudgery or defeat, depression or discouragement, failure or fear, sickness or sorrow, torment or turmoil, poverty or pain. You were born for the Father, the Son, Jesus and the Holy Spirit. You were born to live in love, joy, peace and prosperity. Wholeness, soundness and health are God's will for you.

Surrender your life! The pathway to God's blessing is the way of a surrendered life. As you make Jesus Lord and obey His Word, the good things He has for you are sure to come.

Victory is a matter of obedience to the Word and Spirit of God. You can do it. Believe that Jesus will put you over and He will. Walk out your faith trusting God to help you.
