

February 2010

Dear Friend,

God has spoken to my heart that you need a miracle. A miracle is the supernatural intervention of God on our behalf. When God told me to write you about the year of 2011 being the year of blessings for you, I was excited about the revelation that would come from God to us. I feel this is a divine direction from God.

Now this is a big one, but it is what the Word says! In Proverbs 13:22 it says, “...a good man leaveth an inheritance to his children’s children: and the wealth of the sinner is laid up for the just.” So let’s begin our focus on believing God for the wealth of the sinner coming into your house and my house to such a degree that we will have to ask for help to collect it all!

How can God legally transfer the sinner’s wealth? “*To the man who pleases Him, God gives wisdom, knowledge and happiness, but to the sinner He gives the task of gathering and storing up wealth to hand it over to the one who pleases God.*” (Ecclesiastes 2:26 NKJV)

God is serious about your future concerning wealth. For years I wondered how God could legally do this. I know God is a just God. I asked myself, “How could He take someone else’s possessions and give them to us?” Well, what the Lord said to me was astonishing, He said, “Tom, I didn’t create the world for sinners, I created it for my children.” When I heard those words, I started shouting! I realized at the time God created us there were no sinners, but today, things are different. **We haven’t refused God’s instructions on how to live for Him, but the sinner has. That is why He can legally give us those possessions.**

This world was created for us! We are His children. We are not supposed to live in poverty. Look at what it says in Proverbs 13:8, “*Poverty and shame shall be to him that refuseth instructions: but he that regardeth reproof shall be honored.*” We have accepted the Lord Jesus Christ as our personal Savior, that means we are a children of God. This world and everything in it belongs to us. That honor is not for the sinner, it is for us. Go ahead and shout over that!

When God said in Philippians 4:19, “*He would supply all your needs according to His riches in glory by Christ Jesus,*” He meant it! We cannot exhaust God’s supply. That is why Satan fights prosperity so much, even through the Church. He knows if we find out the truth in Proverbs 13:22 and pursue it with faith, he will have to turn loose of everything that belongs to you and me. He doesn’t want that! **Recognize your power and authority and make a demand!**

Satan and the sinner are trespassing on your property! In actuality the sinner is working for you. Once you understand this, you can make a demand for your possessions. All you have to say is, “**Devil, take you hands off of my finances and my possessions. This world was created for me!**” When you recognize what Satan has done and take authority like that, you are “catching the thief.” As Proverbs 6:31 says, “The thief will have to restore what he has stolen sevenfold and give you all the substance of his house!”

Prosperity is intended for the Godly, not the ungodly. You have a right to all that was created for you. This is not greed! This is ownership! I said it before and I will say it again, it is our right to rule, our prerogative to rule and our glory to rule.

If God said the wealth of the world is ours, then I want it. You should want it too. Why? Because it is our right! We are made in God's image. We are His junior partners over all of creation. But until we stand up like military soldiers and tell the devil to get off of our property, we won't get it. We must recognize our position and use our authority as a believer. You see, you must use the power that is within you. So what if problems arise? God has given us power and authority over the enemy and all his works.

You have to get to the place where you believe the unbelievable and know you can receive what is impossible, **the power of unwavering faith**. Remember what I wrote earlier, this world was not created for sinners, it was created for you. Start thinking and talking in more heavenly ways. You will immediately begin to disrupt Satan's plans. Remember, you have the power to stay on course, no matter what! Let the distractions come, they don't have to affect you! Your constitution in life is the Word of God. You are the architect of your own life. Don't let the devil or the church world talk you out of your inheritance. The wealth of the sinner is laid up for the just.

You may be living in a fallen world, but you have not fallen. That is why when I sow a seed, I expect a 100-fold return. I haven't fallen down on my giving or my living for the Lord. This faith God has given us will make a kitten slap a tiger! I call it unwavering faith.

James 1:6 says, "But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed." You see, I am only asking for what is rightfully mine. There is no way greed can get in if you only ask for what is rightfully yours. I am telling you, you are going to have to ask for help to collect it all.

Sue and I don't take your sowing into this ministry lightly. Your seeds sown into this ministry are producing a harvest for you. We pray every day for the 100-fold return for you. Get ready for sinners to start turning over what belongs to you. That means raises at your job, property that belongs to you, monies that were stolen from you and many other things. I am serious. Look for it to start in 2011!

It is on the way as you sow your seed to help this ministry reach people and change lives one soul at a time. Pray over it! Don't just send it; pray in faith! Say, "Seed, come back with my harvest!" This is God's way of thinking and there is no want of faith in it.

Until next time, may the amazing faith of God rise up in you!

We Love You,

Dr. Tom Leding
